Texas Dental Sleep Services

Everything You Need to Build a Thriving DSM Practice

Most dentists add $100K+ in revenue within their first year , without adding staff or changing how they practice.

We build it. We manage it. You treat patients. One fully integrated program: credentialing, clinical training, DSM certification, marketing, EMR, coaching, and more.

6-Month Risk-Free Satisfaction Guarantee

Not the right fit? Cancel within your first six months with no ongoing financial obligation. We've built this program to earn your confidence , not just ask for it.

The Revenue Opportunity in Dental Sleep Medicine

Just 5–6 patients per month can generate $10,000–$15,000+ in new monthly revenue , $100,000–$180,000+ annually. Most providers start seeing DSM patients within 60 days, with a typical time commitment of only 15 hours per month.

15	60	5–6
Hours/mo typical commitment	Days avg. to first patient	Patients/mo $10K–$15K/mo

The TDSS Difference: We don't dictate how you practice , we give you the tools, systems, and leadership to make DSM integrated & profitable alongside your dental practice. **Veteran-owned and operated. Clinically led with** 30 years and over 6,000 cases of DSM expertise. **Practice management with** 30 years of practice automation, EMR, and management experience.

*Startup and ongoing values are representative estimates. Revenue projections are illustrative and not a guarantee of income. Individual results will vary based on practice, market, and patient volume. The executed Provider Agreement governs all terms.
